

TREATMENT & FINANCIAL PLAN POLICY

Our Pay-At-The-Desk policy helps avoid the high costs of billing, thus keeping your visits less costly. Please help us by being prepared to pay at the time of your visit.

1. All insurance co-payments are due upon delivery of treatment. This includes all deductibles, co-payments, and procedures that are not covered by insurance company.
2. All payments are due on day of treatment. If patient wishes to be billed or requests a financial plan, one can be given. However, no further treatment will be performed unless prior procedures and treatment is paid in full.
3. For all major work which requires multiple visits, patient must have a down payment at the time of the initial visit.
4. A finance charge of 1.5% monthly (18.0% APR) will be charged on all balances over 60 days old.

We will accept Visa, MasterCard and Discover.

Your appointments are very important to us. This time is reserved just for YOU. Therefore, patients must advise OUR office of any changes in your appointments within 24 hours. If appointments are cancelled in less than 24 hours and scheduled Time cannot be filled there will be a \$50.00 no show cancellation fee.

Please schedule appointments that do not conflict with your schedule to avoid any unwanted charges or fees.
